Men's Section News

Date - Tuesday 10th March **Captains Drive In 15th March (late entries accepted)**

This Weeks Golf Highlights

It was **Winter Knockouts Final's weekend**. On Saturday **Ian Turner** played flawless golf to see off a strong challenge from **Tom Dorney**. On Sunday **Gareth Dowling and Gary Dorman** battled away and narrowly beat **Tim Green and Kevin Wilson**. The March Medal was very closely fought. Poor old **Kevin Wilson** lost out on count back to **Andy Halka** both scoring excellent rounds of **42 points**. **Stewart Copeland** finished 3rd on 41 points, again beating Simon (I am back on form) Farquhar. Unfortunately **Stewart and I lost our Daily Mail Foursomes** match away at Lullingstone on the last hole. I must say, Stewart played exceptionally well but my 'YIPS' issue cost us dear.

Other Medal Highlights...

Andy Ferguson and Tim Green hit Eagle 2's on the third hole. **Tim Green, Andy Halka and Nick Assemakis** each scored 3 birdies. **Scott Dowie, Keith Reed and Simon Farquhar** all scored 2 birdies.

What a difference a day makes...

The hardest hole on Saturday was the 12th, with an average score of 5.83 (+1.83), with the 18th just behind at 5.75 (+1.75). On Saturday the 12th was the 11th easiest hole averaging just 4.83 (+0.83) a whole shot better than Sunday. The 18th was the hardest hole on Sunday but just 5.33 (+1.33).

Winter Eclectic Leaders

Category 1&2 - Tim Green has now moved to 55. Stunning, consistent golf Tim. Followed by Lee McCready on 59, Frank Fleming 60 and Ian Turner has jumped to 61. Andy Halka deserves a mention, promoted to cat 2 and a stunning 62. Category 3, Bradley Edge leads on 62, Carl Vaughan 63, Myself, Volkan Nezir and Kevin Imber all on 64. Category 4+, Mike Barnard leads on 70, Will Carroll 72, Tom Tang and Isaac Chang 74.
